

SUPPORTING PROGRAMME

7–11 April, 2024

BIG BEEKEEPING SALES EXHIBITION

Venue: hall G1

LIVESTOCK SHOW

Venue: open area K

PRESENTATION AND SALE OF CZECH FOOD

Venue: hall G1

FOREST PEDAGOGICS

LASER SHOOTING RANGE

EXHIBITION OF TROPHIES OF DISTRICT HUNTING CLUBS FROM BRNO, ŽIDLOCHOVICE, ŠLAPANICE

HUNTING CRAFTS IN PRACTICE: METAL ENGRAVING, LEATHER ENGRAVING, GUNSMITHING,
CARVING, KNIFE MAKING

PRESENTATION OF THE OBELISK GAME PRESERVE, RECORD DEER TROPHIES

HARVESTOR SIMULATOR

VENISON RESTAURANT

HUNTING CARRIAGE OF ARCHDUKE CHARLES

MUSEUM OF THE CITY OF BRNO

RED DEER TROPHY FROM THE EXPOSITION OF FRANZ VOGT

HISTORICAL MAPS

TROPHIES AND AFRICAN WILDLIFE

ADVISORY CENTRE FOR FOREST OWNERS

Venue: hall Z

ARCHERY

Venue: open area Z1

7 April, 2024, SUNDAY

10:00–16:00

BEEKEEPING – lectures

Venue: hall P, room P1

09:30–13:00

Assembly of the Chamber of Agriculture of the Czech Republic

Venue: Rotunda, hall A

Note: by invitation only

12:00–14:00

SMART FARM – Agriculture is packed with modern technologies

Venue: hall F – stage

PR presentation to improve the industry image for young generation and the public – an industry full of top technologies

Leader: Jiří Mašek (Czech University of Life Sciences in Prague)

Lecturers: Jiří Mašek (Czech University of Life Sciences in Prague), František Kumhála (Czech University of Life Sciences in Prague), Václav Jirka (Leading farmers CZ), Michaela Menšíková (Mendel University in Brno)

15:00–16:30

QUALITY AT ANY PRICE: Challenges and opportunities for food production in the EU – debate with MEPs

Organizer: European Parliament Office in the Czech Republic

Venue: Hall P, room P3

18:30

FESTIVE OPENING OF THE TRADE FAIRS

Venue: hall A1

Note: by invitation only

09:00–18:00

STAGE AT THE LINDEN TREE (U LÍPY)

Venue: hall Z

09:00–09:15

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

09:15–09:30

Josef Selement Trumpeter School at the Czech Forestry Academy in Trutnov – demonstrations and talks

9:30–10:00

Lecture on roe deer, abnormalities

Lecturer: Pavel Scherer

10:00–10:30

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor and King of Bohemia called Emperor Charles I of Austria

Lecturer: Václav Obr

10:30–11:00

Ceremonial unveiling and presentation of Franz Vogt's legendary trophy and its evaluation

Participants: Jan Škopík, David Vaca, Miloslav Vach

11:00–12:00

Discussion with Václav Cílek about the second edition of the Book on the Climate of the Lands of the Bohemian Crown

12:00–12:30

Miroslav Popelka, Hunting in the Stone Age

12:30–13:00

Wolf in the Czech landscape

Lecturers: Tomáš Havrlant, Kamil Zahradník

13:30–14:00

Actor and host Zdeněk Junák will talk about his relationship to nature and will also play and sing

14:30–15:00

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor and King of Bohemia called Emperor Charles I of Austria

Lecturer: Václav Obr

15:00–15:30

Obelisk preserve – lecture on the role and benefits for the landscape

Lecturer: František Fabičovic

15:30–16:00

Miroslav Popelka, Hunting in the Stone Age

16:00–16:30

Dulcimer music by Jožka Šmukař

16:30–17:00

Talking about hunting with Jožka Šmukař

17:00–17.45

Festive opening of SILVA REGINA, BIOMASA

17:45–18:00

Film screening by the Association of Municipal, Private and Church Forest Owners in the Czech Republic

12:00–17:00

STIHL TIMBERSPORTS® CZECH CUP SILVA REGINA 2024

Venue: open area R

12:00 Start Men / Women

12:05 STOCK SAW

13:00 STANDING BLOCK CHOP

14:00 SINGLE BUCK

15:00 UNDERHAND CHOP

16:00 Closing ceremony

8 April 2024, MONDAY

09:30–18:00

Expert conference “Climate change and agriculture”

10:00-11:40 Section I: Development of agriculture and forestry in the European Union and the Czech Republic

12:00-13:30 Section II: Food safety

14:30-16:00 Section III: Climate-smart agriculture

16:20-17:40 Section IV: Tools and practices to address the impacts of climate change

17:40 Panel discussion

Organizer: Chamber of Agriculture of the Czech Republic

Venue: Rotunda, hall A

10:00–12:00

SMART FARM – Modern technologies in agricultural practice

Drones, satellites, sensors and future technologies

Venue: hall F – stage

Leader: Milan Kroulík (Czech University of Life Sciences Prague)

Lecturers: Milan Kroulík, Josef Chára (SAS AGRO), Jakub Polenský (University of South Bohemia in České Budějovice), Jakub Elbl (JTZE)

10:00–12:00

Comparison of managerial practices in forestry and viticulture in the Czech Republic and Austria – discussion forum

Organizer: CZ-EN journal Priority Business & Government and Czech Management Association

Venue: hall P, room P4 ab

[Registration](#)

14:00–16:00

SMART FARM – Preparing a farm for precision farming

How to get the most out of the machinery + optimizing the movement of the machinery on the land + optimizing the shape of the land + preparing the team

Venue: hall F – stage

Leader: Milan Kroulík (Czech University of Life Sciences Prague)

Lecturers: Milan Kroulík, Václav Brant (Czech University of Life Sciences), Josef Chára (SAS AGRO), Hynek Valík (Agroprogres Kateřinky – SIUZ), Ondřej Hnilička (JTZE)

09:00–18:00

STAGE AT THE LINDEN TREE (U LÍPY)

Venue: hall Z

09:00–09:20

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

09:20–09:30

Buglers of the Faculty of Forestry and Wood Technology of Mendel University in Brno

09:30–10:00

Current issues in forestry and hunting

Lecturer: Jan Řezáč, Forestry and Game Management Research Institute

10:00–10:20

Lecture on roe deer, abnormalities

Lecturer: Pavel Scherer

10:20–11:00

Presentation of Franz Vogt's legendary trophy and its evaluation

Participants: Jan Škopík, David Vaca, Miloslav Vach

11:00–12:00

Panel discussion on "Forestry and manufacturing under climate change"

Participants: Václav Cílek, Vilém Podstránský, Jaroslav Kubišta, Josef Kindl, Martin Polívka

12:00–12:30

Dulcimer music by Jožka Šmukař

12:30–13:00

Musical star and hunter Marián Vojtko about hunting and game keeping

13:00–13:20

Petr Joo and Jožka Šmukař about hunting

13:20–13:30

Falconers club presents birds of prey

13:30–14:00

Hunting dog training, presentation of dachshund breed

14:00–14:15

Handmade hunting knives and fangs

14:15–14:30

Artistic engraving and decorating of cold and fire hunting weapons

14:30–15:00

Wolf in the Czech landscape

Participants: Kamil Zahradník, Petr Joo

15:00–15:30

Musical star and hunter Marián Vojtko about hunting and game keeping

15:30–16:00

Stabilization of forest during planned construction activities

Lecturer: Jiří Holický

16:00–16:20

Adaptation of forests to climate change in Brdská vrchovina

Lecturer: Markéta Máchová (VLS ČR s.p.)

16:20–16:30

Bugling demonstrations by the Czech Forestry Academy in Trutnov

16:30–16:50

Lecture by the Czech Forestry Academy on study fields

Lecturer: Miloš Pochobradský, director of the Czech Forestry Academy

16:50–17:10

Presentation of the competition for inquisitive schoolchildren YPEF (Young People in European Forests)

17:10–17:30

Petr Joo – luring game together with students of the Czech Forestry Academy in Trutnov

17:30–18:00

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

12:00–17:00

STIHL TIMBERSPORTS® CZECH MASTERS SILVA REGINA 2024

Venue: open area R

12:00 Start Pro Series
12:05 Underhand Chop
12:40 Stock saw
13:15 Standing block chop
14:05 Best 8 for 2nd round
14:10 Single buck
14:30 Springboard
15:15 Best 6 for 3rd round
15:20 Hot saw warm up
15:30 Hot saw
16:00 Closing ceremony

10:00–13:00

STAGE UNDER THE SPRUCE TREE (POD SMRKEM)

Venue: hall Z

10:00–10:30

Sources of wood pellets, their quality, availability and qualitative integration of wood chips

Speaker: Vladimír Stupavský (Czech Pellet Cluster)

10:30–11:00

Biomass for energy purposes at Forests CZ. – experience with production and sale of biomass, outlook for the coming years

Lecturer: Radovan Srba (Lesy ČR, s.p. – Czech State Forest)

11:00–11:30

Strategies for the use of biomass under climate change in Austria

Lecturer: Christian Burger (AGRAR PLUS, GesmbH)

11:30–12:00

Support for the use of biogas, biomass, biomethane in the Czech Republic

Lecturer: Jan Habart (CZ Biom)

12:00–12:30

Practical Biomass Management in Church Forests

Lecturer: Petr Bláha (Benediktínská hospodářská správa Břevnov s r.o.)

12:30–13:00

Pick-up utility for samplings in mechanised planting in forestry and agroforestry

Lecturer: Radomír Ulrich (Mendel University in Brno)

13:00–16:00

Pre-election debate with MEPs

Organizer: Agricultural Association of the Czech Republic

Venue: hall P, room P1

10:00–12:00

SMART FARM – Variable seeding / fertilization

Land mapping + data collection + data preparation + practical application

Venue: hall F – stage

Leader: Vojtech Lukas (Mendel University in Brno)

Lecturers: Vojtech Lukas (Mendel University in Brno), Václav Brant (Czech University of Life Sciences), Josef Chára (SAS AGRO), Vítězslav Krček (Agra Řisuty – SIUZ), Dalibor Vintr (ZEMO, spol. s r.o.)

14:00–16:00

SMART FARM – Targeted application of plant protection products

Land mapping + data collection + data preparation + practical application (selective autonomous technology)

Venue: hall F – stage

Leader: Vojtech Lukas (Mendel University in Brno)

Lecturers: Vojtech Lukas (Mendel University in Brno), Jakub Elbl (Mendel University in Brno), Jindřich Šmöger (SIUZ), Josef Čejka (ZD Dolní Újezd)

09:00–18:00 hod.

STAGE AT THE LINDEN TREE (U LÍPY)

Venue: hall Z

09:00–09:30

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

09:30–09:45

Josef Selement Trumpeter School at the Czech Forestry Academy in Trutnov – demonstrations and talks

09:45–10:00

Petr Joo – luring game together with students of the Czech Forestry Academy in Trutnov

10:00–10:30

Presentation of the Association of Municipal, Private and Church Forest Owners in the Czech Republic (About making a manual for small-forest owners)

Lecturer: Tomáš Dohnanský

10:30–11:00

Dulcimer music by Jožka Šmukař

11:00–11:20

Falconers club presents birds of prey

11:20–12:00

Václav Chaloupek talks about Šumava and wildlife (little bears and Vydrýsek)

12:00–12:30

Jožka Šmukař about hunting

12:30–13:00

Obelisk preserve – lecture on the role and benefits for the landscape

13:00–13:20

Demonstration of Pritz Systeme arms

13:20–13:40

Making of artistic knives and fangs – Alexander Pospíšil

13:40–14:00

Buglers of the Faculty of Forestry and Wood Technology of Mendel University in Brno

14:00–14:30

Demonstration of the terrier breed

14:30–15:00

Disappearing Magic of Africa – Václav Chaloupek

15:00–15:30

FALCONRACE.CZ first falconry competition in the Czech Republic with international participation, Marcel Kosina and Pavel Beran

15:30–15:50

Lecture on roe deer – Pavel Scherer

15:50–16:00

Forest Pedagogics – competition for children with prizes

16:00–16:30

Czech Forestry Academy in Trutnov – Post-calamity restoration of groves – Jan Téra

16:30–16:45

YPEF (Young People in European Forests) – competition aimed at students of all primary and secondary schools – Radka Stolaříková

16:45–17:00

Master Tomáš Rudolf and gunsmith Jan Kepák discuss studying gunsmithing

17:30–18:00

Film screening by the Association of Municipal, Private and Church Forest Owners in the Czech Republic

10:00–12:30

STAGE UNDER THE SPRUCE TREE (POD SMRKEM)

Venue: hall_Z

10:00–10:30

Research on wood chips, practical moisture measurements, storage and moisture measurement techniques

Lecturer: Ladislav Zvěřina (Mendel University in Brno)

10:30–11:00

Role of composting facilities and their practical use

Lecturer: Jan Švejkský (Association of Composting Facilities of the Czech Republic)

11:00–11:30

The role of composting facilities in the time of climate change – a chance to improve soil quality

Lecturer: Josef Šrefl (AGROINTEG s.r.o.)

11:30–12:00

Bioeconomy – circular economy

Lecturer: Jitka Meňházová (Mendel University in Brno)

12:00–12:30

Forest biomass from thinning and pruning, its use by composting and incineration

Lecturer: Radomír Ulrich (Mendel University in Brno)

10:00–12:00

SMART FARM – Soil conservation technologies

Anti-erosion measures, correct water handling and compliance with legislation

Venue: hall F – stage

Leader: Martina Poláková (SIUZ)

Lecturers: Josef Čejka (ZD Dolní Újezd), Marcel Herout (ZOD Olešník), Pavel Němec (Agro Liboměřice), Václav Kadlec (Ministry of Agriculture)

14:00–16:00

SMART FARM – Carbon farming, correct handling of organic matter and compliance with legislation

Landscape care and adaptation to climate change

Venue: hall F – stage

Leader: Martina Poláková (SIUZ)

Lecturers: Josef Čejka (ZD Dolní Újezd), Rostislav Mátl (DVP Agro – SIUZ), Vlastimil Zedek (Ministry of Agriculture), Jan Klír (The Crop Research Institute)

09:00–18:00

STAGE AT THE LINDEN TREE (U LÍPY)

Venue: hall Z

09:00–09:15

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

09:15–09:30

YPEF (Young People in European Forests) – competition aimed at students of all primary and secondary schools – Radka Stolaříková

09:30–10:00

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor and King of Bohemia called Emperor Charles I of Austria

Lecturer: Václav Obr

10:00–10:30

Talking about Šumava and wildlife (little bears and Vydrýsek) – Václav Chaloupek

10:30–11:00

Forestry project in Georgia

Lecturer: Pavel Peška, Forest Management Institute in Brandýs nad Labem

11:00–11.30

EU Deforestation Regulation – current legal setting in the Czech Republic

Lecturer: Jana Čacká, Forest Management Institute in Brandýs nad Labem

11:30–12:00

EU Deforestation Regulation – Information system and geolocation

Lecturer: Jan Ďoubal, Forest Management Institute in Brandýs nad Labem

12:00–12:30

Dulcimer music by Jožka Šmukař

12:30–12:45

Petr Joo and Jožka Šmukař about hunting

12:45–13:10

Demonstration of the Pointer breed

13:10–13:40

Jan Šlosar and Kuba the badger

13:40–14:00

Demonstration of Pritz Systeme arms

14:00–14:20

Lecture on roe deer, age estimation of hunted roe deer

Lecturer: Pavel Scherer

14:20–14:30

Forest Pedagogics – competition for children with prizes

14:30–15:00

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor and King of Bohemia called Emperor Charles I of Austria

Lecturer: Václav Obr

15:00–15:30

Dulcimer music by Jožka Šmukař

15:30–16:15

Disappearing Magic of Africa – Václav Chaloupek

16:15–16:30

FALCONRACE.CZ first falconry competition in the Czech Republic with international participation, Marcel Kosina and Pavel Beran

16:30–16:45

Demonstrations of luring game – Petr Joo

16:45–17:00

Czech Forestry Academy in Trutnov – Forestry lecture

17:00–17:15

Study field gunsmithing – Tomáš Rudolf

17:15–17:30

Artistic metal engraving – Iris Fojtíková

17:30–18:00

Film screening by the Association of Municipal, Private and Church Forest Owners in the Czech Republic

11 April 2024, THURSDAY

10:00–12:00

SMART FARM – Livestock production

Use of AI and modern technologies

Venue: hall F – stage

Leader: Daniel Fanta (Mendel University in Brno)

Lecturers: Daniel Fanta (Mendel University in Brno), Dominik Smutný (Agrosoft Tábor, JU), Ondřej Doležal (PROFARM Blatnice – SIUZ), Zdeněk Havlíček (Mendel University in Brno), Václav Straka (“TMV SS”)

09:00–16:00

STAGE AT THE LINDEN TREE (U LÍPY)

Venue: hall Z

09:00–09:30

Film screening of the Association of Municipal, Private and Church Forest Owners in the Czech Republic

09:30–09:45

Falconers club presents birds of prey

09:45–10:00

Artistic metal engraving – Iris Fojtíková

10:00–10:40

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor and King of Bohemia called Emperor Charles I of Austria

Lecturer: Václav Obr

10:40–11:00

Josef Selement Trumpeter School at the Czech Forestry Academy in Trutnov – demonstrations and talks

11:00–11:30

A new method of forest management as a tool to support forest diversity

Lecturer: Michal Kneifl (Faculty of Forestry and Wood Technology of Mendel University in Brno)

11:30–12:00

Dulcimer music by Jožka Šmukař

12:00–12:30

Petr Joo and Jožka Šmukař about hunting

12:30–12:45

Czech Forestry Academy in Trutnov – Forestry lecture

12:45–13:00

Forest Pedagogics – competition for children with prizes

13:00–13:30

Age estimation for live roe deer – Pavel Scherer

13:30–14:00

Presentation of the hunting carriage of Archduke Charles, who in 1916 became the last Austrian Emperor and King of Bohemia called Emperor Charles I of Austria

Lecturer: Václav Obr

14:00–14:30

Dulcimer music by Jožka Šmukař

14:30–14:45

Forest Pedagogics – competition for children with prizes

14:45–15:00

Demonstrations of luring game – Petr Joo

15:00–15:15

Artistic metal engraving – Iris Fojtíková

15:15–15:30

About gunsmithing – Tomáš Rudolf and Jan Kepák

15:30–16:00

Film screening by the Association of Municipal, Private and Church Forest Owners in the Czech Republic

As of 31. 3. 2024.

Change of programme reserved!
